RP3 Employment Mentoring

The goal of RP3 is to provide under-employed newcomers with appropriate skills and knowledge to position themselves to pursue employment more consistent with their training and abilities. Through small group cohort learning, participants learn about the Canadian culture, develop their own stories and use them as building blocks for developing resumes and interview preparedness. Confidence is gained through practical exercises such as mock interviews, cold calling and group presentations and interaction.

RP3 Defined
Real People – Identifying our talents, experiences, and gifts and learning how to communicate who we are to prospective employers.
Real Partnership – The Church/Mission in partnership with those seeking jobs and walking in faith in God until employment opportunities are realized.
Real Possibilities – Engaging the job market with precision and purpose to uncover the future that God has planned.

A new cohort of RP3 started in March. Please pray for those who are participating. For more information about this or future cohorts, email Ron Allan at ronallan3883@rogers.com.
