## Missions

- Let's remain faithful in praying for our missionaries. They are on the "front lines" all year round. They depend on us to support them by prayer, through communication and financially. ### WILF & JEAN ROSE — SIM CANADA

The Rose's are back from organizing and attending Pastor's Book Set Conferences in Uganda and Kenya. They worked with a team providing a library of books to those teaching God's word who had little or no resources. Included in this collection of books was an African Bible Commentary written by African theologians in African context. Many of us attended an informative evening with Wilf and Jean in June where they gave a small presentation of their time in Africa. Please pray for God's blessing on this couple who has given so much in their retirement years.
