**Thanks from Chinese Senior Group** "When we immersed in Canada's social life, we have felt that both Canada and China have the good tradition in treating senior with reverence. Although there are some difference in geography, history and cultures for both countries, but we can share the modern civilization with each other. We are peacefully living together in our community is the best evidence.....We love the people here and like this beautiful county.

**Pastor Appreciation Month** This month is Pastor Appreciation Month. Let us take time out to acknowledge and celebrate the work of those in leadership in our church. Please take some time outside of the service to fill in a quick note to let our Pastors know how much they are appreciated here. You can fold them, put their name on the outside, and place it in the offering plate each week through the month of October.

**Loving God, each other and our neighbours.**
