COMMUNITY FOCUS

RP3 Employment Mentoring

The goal of RP3 is to provide under-employed newcomers with appropriate skills and knowledge to position themselves to pursue employment more consistent with their training and abilities. Through small group cohort learning, participants learn about the Canadian culture, develop their own stories and use them as building blocks for developing resumes and interview preparedness. Confidence is gained through practical exercises such as mock interviews, cold calling and group presentations and interaction.

RP3 Defined
Real People – Identifying our talents, experiences, and gifts and learning how to communicate who we are to prospective employers.
Real Partnership – The Church/Mission in partnership with those seeking jobs and walking in faith in God until employment opportunities are realized.
Real Possibilities – Engaging the job market with precision and purpose to uncover the future that God has planned.

A new RP 3 session is starting in September. Contact Ron via email ronallan3883@rogers.com if you have friends acquaintances that may be interested in Employment Mentoring.

Dear Bridletowne - Thank you so much for your love, prayers, help, and support in the last several weeks. I have been so touched by you all. I appreciate each and every one of you and all your kind words and condolences. And a special big thank you for Dad's memorial on September 9th - all the work getting the refreshments out and giving me the chance to greet everyone and for sharing your memories. It was so wonderful. I am not sure if Dad was watching but if he was I know he was very moved at the love you all shared. I know I was. Love,
Ricky Jones.
