Join us for a Good Friday
Communion Service here at BPC
on Friday, April 6, 10:30 a.m.

Our *Baptism Celebration* has been
rescheduled to Easter Sunday, April 8.

Community Needs Survey – We want to learn more about our community. Iain Mair has developed a survey that is quick and easy to use. Best of all, it asks questions that will truly help us to better understand the needs and feelings of our neighbours. Now all we need is you! Please make plans to attend a one hour training session after our morning worship celebration on Sunday April 15th. You will be equipped to lead people from our neighborhood through the survey so that we can more fully understand and serve the needs of our neighbours.

Loving God and neighbour by following Jesus
and helping people from any country or background
to love and follow Him too.

Missions

Missionaries of the week: Neil & Jenny Macris — Greater Europe Mission Church Planting

Pray: for Neil and Jenni as they grieve the passing of Neil's father, Costas, in October—a very Godly man who was a missionary; for their home, now off the campus of the Bible School, that it will be a safe haven for their family and yet a place where many will be welcomed and blessed; for the contacts they have made at sports camps, and going door-to-door with the students on 40 Greek Islands

Praise:for Godly heritage both Neil & Jenni received; that their girls are learning Greek so well they can attend Greek School; for good health for all the family

Family: Stephanie (9), Lauren (7), Christie (5), Elly Anna (3)

This Sunday . . .

- This morning, our series of messages called, "Remember Me" will continue to focus our thoughts on the saving work of Jesus that we will celebrate on Easter weekend. Today's message is called "Remember Me: Jesus our Example". There is so much surrounding the death of Jesus that powerfully portrays the values by which Christ calls all His followers to live their lives. This morning we will see that once we have trusted in the death and resurrection of Jesus for our forgiveness and new life, we can also look to those same events for challenging principles about how to live our lives.
