Small Groups

- **Our Small Groups Mission Statement is:**

To bring people together in small communities to grow more intimate with God and each other by studying, sharing and serving.

- Our **Special Focus Group** will be starting again on May 11 and will meet on Friday nights at the church for seven weeks. The focus will be on healthy marriages and the topic will be "dreams and demands". Please speak with Kim or Steve Mitton if you would like to be a part of this small group. Space is limited so speak to them *today!*
- Mark Saturday, May 26 on your calendars for a church gardening and clean up day. We will start in the morning and have a bbq lunch together. If you have garden plants you can donate towards a plant sale please have them potted and bring them with you on the 26th. All proceeds will go towards our Christmas gifts for the homeless of Toronto and Scarborough.
- **Alpha** will be starting again in June. If you would like a practical introduction to the Christian faith, please consider taking the Alpha course. To be a part of the Alpha team please speak with Mary Ann Nelson. More information will be available soon.

Community Needs Survey

- If you are available to help with our Community Survey please speak with Iain Mair or email him at: iain.mair@sim.org. Iain has developed a survey that is quick and easy and asks questions that will help us to better understand the needs and feelings of our neighbours. The more surveys we have completed, the better we can serve our neighbours.

Loving God and neighbour by following Jesus
and helping people from any country or background

Note: Our Christmas knitting has begun. If you would like to join the knitters who are making scarves for the homeless and would like some yarn, please see Kathy Chu. This year our goal is 200 scarf sets so we are starting early. To date we have 7 scarves made—we *have a long way to go!*

Missions

Missionaries of the week: Dean & Sharon Sherk - Navigators, Waterloo, Church Discipleship Ministry
“Helping faith communities become intentional disciple making churches”

Pray: for Dean as he works on Discipleship and Mission as the key components in his role in the local church and beyond.

*STOP to pray. We so much need your prayers. Would you consider this unique way of praying for this ministry?
Every time you come to a stop sign (please stop!!) would you pray briefly for us?*

Praise: for new direction in ministry in a church setting and yet with the Navigators; for an incredible team to work with; that the role as a shepherd (Pastor of small groups and connections) is such a good fit; “Thank you so much for standing with us in this mission of making disciples who make disciples”
