COMMUNITY FOCUS

RP3 Employment Mentoring

The goal of RP3 is to provide under-employed newcomers with appropriate skills and knowledge to position themselves to pursue employment more consistent with their training and abilities. Through small group cohort learning, participants learn about the Canadian culture, develop their own stories and use them as building blocks for developing resumes and interview preparedness. Confidence is gained through practical exercises such as mock interviews, cold calling and group presentations and interaction.

RP3 Defined  
Real People – Identifying our talents, experiences, and gifts and learning how to communicate who we are to prospective employers.  
Real Partnership – The Church/Mission in partnership with those seeking jobs and walking in faith in God until employment opportunities are realized.  
Real Possibilities – Engaging the job market with precision and purpose to uncover the future that God has planned.

A new RP 3 session is starting in September. Contact Ron via email [ronallan3883@rogers.com](mailto:ronallan3883@rogers.com) if you have friends acquaintances that may be interested in Employment Mentoring.

**Bridletowne** is now on Facebook. Check us out at [facebook.com/bridletowne](https://facebook.com/bridletowne).

**Our Website** is also full of resources for you. We have added a building calendar where you can check to see how our building is being used through the week. Have at look our church directory to be sure your information is up to date.

**Tutoring Program** is starting next week. It runs from 6pm – 7pm every Thursday at BPC. Because of the summer camp connection, about 9 new students have enrolled already. The need for tutors this fall could be higher than ever. If you are interested in helping children, please contact Tim Yuen at 416-709-1313 or email him at [tyuen@torontocitymission.com](mailto:tyuen@torontocitymission.com).

**Let's Go Green Together** Bridletowne officially went green on July 1st. This means we have to reduce our garbage by 40% by recycling and collecting organic waste. You will see green bins and blue bins around the building. Let's try and reduce our garbage.

If you have a favorite cup or mug why not bring it with you to save waste and enjoy your tea or coffee just as you like it!
